**BusinessRail** is an all-inclusive professional lifetime Experience event gathering professional and personal growth initiatives.

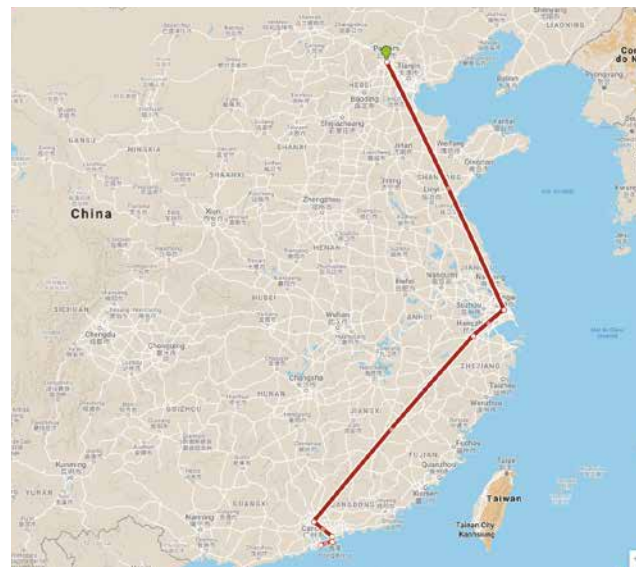

Using the Railway train as a common link to bring together people & organizations with business opportunities and new experiences to foster personal growth.

Each BusinessRail event has a unique route enabling all participants to visit new locations and explore business and individual experiences.

Every event is carefully tailored to meet the growing demand for effective business networking as well as offering experiences to grow on a personal level.

Each participant joins in business networking activities as well as training in personal growth & soft skills.

It is also a great opportunity to travel and meet new places, cultures and people.
